Our predesigned compacts include a highlighter, lid color, crease color, eye liner, blush, and lip color. Here's how to get any of our looks.

1. Apply eye shadow #2 to your eyelids using an eyeshadow brush.
2. Apply eye shadow #3 to the crease of your eye using the same brush.
3. Using the eyeshadow brush, apply eye shadow #1 as a highlighter, right under your brows and above the crease.
4. Line your eyes all the way around using the eyeliner or eyeshadow #4 and a thin lining brush.
5. Apply blush to the apples of your cheeks using a fluffy blush brush.
6. Apply lipstick or lipbalm to your lips with a lip brush (or even your finger)
